

## THE GARDEN CLUB OF INDIANA “90TH ANNIVERSARY SPECIAL”

The convention committee is dancing, twisting, two-stepping with glee because:

- TGCI is offering registered convention attendees a link to Kirk Brown’s program for an extended period.
- This opportunity will be offered from 7:00 pm April 28th through Saturday, May 1st until midnight.
- Reminder - You must register and you must ask for the extended link.
- This will allow you to watch it at your leisure and/or quiet time.

We are excited to do this, one time, for our members who work, cannot travel, or are normally not able to attend a state convention. We look forward to your attendance.
